

d.) Remarks.

Applicant has amended the specification to insert headings, a summary taken directly from the claims, a brief description of the figures and incorporation by reference language. Applicant has further amended claims 1-15 and added new claims 16-20, all to more clearly define the invention. Support for all amendments can be found in the original claims and the specification.

Accordingly, no new matter is presented with these amendments and claims 1-20 are now pending. For the convenience of the examiner, a clean copy of all pending claims is attached hereto.

Conclusion

The application is in condition for examination and the prompt issuance of an office action is earnestly solicited. If there are any fees due with the filing of this Preliminary Amendment, not otherwise accounted for herein, including any fees for an extension of time, applicant respectfully requests that extension and further requests that any and all such fees be charged to **Deposit Account No. 03-1952, referencing Attorney Docket No. 53262-20097.00.**
